General Meeting Minutes
June 21, 2018

Meeting began with introductions of those present.

A stakeholder made public comment acknowledging the unique circumstances of the General Meeting followed immediately by a Special Meeting for electing our Board.

It was stated for the record by past Interim President that all Board candidates had also attended previous PVNA meetings.

P.I.C.O. Neighborhood Council's Picfair Village Representative Sylvester Robertson gave an update of current projects where the NC board had made a decision: Paper or Plastik's request for no term limit on beer and wine license had been approved. Harry's Auto Shop's request for variations had been denied. Go to piconc.com for all Neighborhood Council information. (Neighborhood Council meets 2nd Wednesday of each month. Land Use Committee meets 4th Thursday of each month.)

Great Streets Representative, Nancy Hanover gave an overview of projects that will be happening on Pico Blvd. from Curson to Burnside. This is made possible because of a winning grant plus additional city money. Phase 1 projects focus on safety: Curb extensions and cross walks. Treasury Report by Valerie Woodson - \$697.14
